

2.1.21 Maths Task

Put the first number in your head then count on to add using the vegetables.

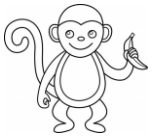

$$3 + \text{carrot} + \text{carrot} = \underline{\quad}$$

$$5 + \text{pepper} + \text{pepper} + \text{pepper} = \underline{\quad}$$

$$4 + \text{carrot} + \text{carrot} + \text{carrot} + \text{carrot} = \underline{\quad}$$

$$6 + \text{pepper} + \text{pepper} = \underline{\quad}$$

$$5 + \text{carrot} + \text{carrot} + \text{carrot} + \text{carrot} + \text{carrot} = \underline{\quad}$$

Challenge: fill in the missing numbers.

$$\underline{\quad} + \text{pepper} + \text{pepper} + \text{pepper} = 10$$

$$\underline{\quad} + \text{carrot} + \text{carrot} + \text{carrot} + \text{carrot} = 9$$

Goldilocks and the Three Bears Addition Sheet

Write the answers in the circles.
