## Home learning Reception Monday 01.03.21

Happy Monday Reception and welcome to another week of fantastic learning!

We would love to see your Maths work on Seesaw today.

For any videos that we use the password will be **Hagley21**

If you have any queries please contact us via our Reception e-mail [receptionpupil@hagleyprimary.worcs.sch.uk](mailto:receptionpupil@hagleyprimary.worcs.sch.uk).

### Key Words (English)

Please watch Mr Farley's video about finding the missing words in sentences. You can then have a go at chopping up key words and building sentences with a word missing, trying to find which words would make sense in place of the missing word! There is also a sheet available for children to try and write the missing words in the gaps.

### Maths Challenge

Have a go at coat hanger counting to practise adding. If you do not have a dice you could use number cards.

### Coat Hanger Counting

- Can you roll the dice? What number did you get?
- Can you count out that number of pegs onto the coat hanger? How do you know you have the right number?
- Roll the dice again. What number did you get this time?
- Can you count out that number of pegs onto the coat hanger?
- How can you work out how many pegs you have altogether? Can you say the total?

### Topic

Please watch and join in with Miss Running's quiz where you will try to name what we call different animal babies. After, please have a go at cutting and matching the mother to their young.

### Learning you can access throughout the week

Other areas	It is important to keep moving and having breaks. You can have a go at moving around the room using your body like different woodland animals. Please see the movement cards on the PDF.
	Read and enjoy this short poem by Brenda Williams. Have a try at learning the verses and then performing it to someone in your household. You might like to add some actions.

## Here comes a hedgehog

Here comes a hedgehog  
Small and round,  
Here is leaf pile  
On the ground.

In goes the hedgehog  
To make his bed  
Rolls in the leaves  
Then rests his head.

Choose three woodland animals and draw them in size order, from the biggest to the smallest.

You might like to create an information poster telling people about your favourite nocturnal animal. You might like to include certain information; what they eat, where they sleep, what helps them to survive at night and one interesting thing about them. You can use books or the internet to help you find the information. Have a grown up to help you when exploring the internet.

### Maths

Using the number cards you created the other week, you might like to play the following game: turn the cards over so they are all facing down. Turn a card over one at a time. Can you tell your grown up what the number is? Then you might like to get one of your teddies to feed (you might have a woodland one). Can you give them the correct amount of food to match the number? You can use sticks, stones, leaves, cereal, lego etc. Can you say what number is one more or less than the one you are focusing on?

### Reading

Oxford Owl, please see previous newsletters for instructions  
<https://www.oxfordowl.co.uk/login?active-tab=students>

Have a look at the Phonics Play website: <https://www.phonicsplay.co.uk/resources>  
There are instructions for how to log in for free on the homepage. There are lots of different games to practise blending and segmenting. A favourite at school is 'Buried treasure.'

### Physical development

Have a go at some daily Yoga on the Cosmic Kids Yoga YouTube channel  
[https://www.youtube.com/channel/UC5uIZ2KOZZeQDQo\\_Gsi\\_qbQ](https://www.youtube.com/channel/UC5uIZ2KOZZeQDQo_Gsi_qbQ)

Joe Wicks PE on his YouTube channel Monday, Wednesday and Friday.

Alternatively, for a HIIT workout with one of your favourite characters (Elsa, Spiderman and many more) please visit <https://www.youtube.com/c/GETKIDSMOVING/videos>

### Key words

Practise reading and writing the Set 1, 2, 3 & 4 key words in and out of sentences.

## Busy Things

You can also access Busy Things at home where you can choose activities to complete together. <https://www.busythings.co.uk/play/#>
