*'Believe, Achieve, Together We Succeed.'*

## Home learning Reception Tuesday 02.03.21

Hello Reception! We would love to see your writing challenge on Seesaw today.

For any videos that we use the password will be **Hagley21**

If you have any queries please contact us via our Reception e-mail [receptionpupil@hagleyprimary.worcs.sch.uk](mailto:receptionpupil@hagleyprimary.worcs.sch.uk).

### Phonics (English)

Please watch Mr Farley's video recapping the ay, ee and igh sounds. Have a go at joining in with reading the words that are shown on screen. There is no writing involved in this lesson, however if you wish to practise writing in addition to this lesson you are more than welcome to!

## Mindfulness

Please have a go at the challenge card below.

Lie comfortably on your back on the floor. Move your attention around your body by tensing and clenching your muscles and then relaxing them. Hunch your shoulders, then let them go.

Make your hands into fists then tighten the muscles in your arms before relaxing them. Continue to move around your body repeating this process.

## Learning you can access throughout the week

|             |   |
|-------------|---|
| Other areas | It is important to keep moving and having breaks. You can have a go at moving around the room using your body like different woodland animals. Please see the movement cards on the PDF.  |
|             | Read and enjoy this short poem by Brenda Williams. Have a try at learning the verses and then performing it to someone in your household. You might like to add some actions.<br><br><b>Here comes a hedgehog</b><br><br>Here comes a hedgehog<br>Small and round,<br>Here is leaf pile<br>On the ground.<br><br>In goes the hedgehog<br>To make his bed<br>Rolls in the leaves<br>Then rests his head. |
|             | Choose three woodland animals and draw them in size order, from the biggest to the smallest.  |
|             | You might like to create an information poster telling people about your favourite nocturnal animal. You might like to include certain information; what they eat, where they sleep, what helps them to survive at night and one interesting thing about them. You can use books or the internet to help you find the information. Have a grown up to help you when exploring the internet.             |

### Maths

Using the number cards you created the other week, you might like to play the following game: turn the cards over so they are all facing down. Turn a card over one at a time. Can you tell your grown up what the number is? Then you might like to get one of your teddies to feed (you might have a woodland one). Can you give them the correct amount of food to match the number? You can use sticks, stones, leaves, cereal, lego etc. Can you say what number is one more or less than the one you are focusing on?
