*'Believe, Achieve, Together We
Succeed.'*

Wednesday 03.03.21

Reception! We would love to see your speech bubbles from our topic lesson on Seesaw today.

For any videos that we use the password will be **Hagley21**

If you have any queries please contact us via our Reception e-mail receptionpupil@hagleyprimary.worcs.sch.uk.

Key Words (English)

Please watch Mr Farley's video explaining how to play a key word board game. This game can be adapted to suit your child wherever they are at with key words. You can use the pre-made version, or there is an editable version available if you would like to add your own words in. This is a good idea if your child is stuck on a few words in particular as they can be targeted.

Story

As we have been learning and exploring different animals and their young, Miss Running thought you might like to watch a video about Frogs and how they change from a tadpole into an adult frog. Please see the link below.

[Come Outside - Frogs](#)

Maths

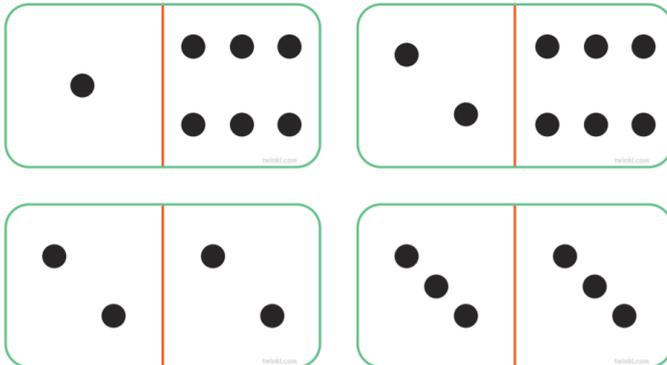

Please watch Mrs Archer's video about time. For today's lesson you will need the clock that you made yesterday. For today's task you will need your clock and the Baby bear time cards either printed or up on your screen.

Maths Challenge

Have a go at playing Dominoes at home, can you match the correct numbers or pictures together? There are some you can download on the website or you could make your own.

Topic - Speech bubbles

Please watch Miss Running's video on speech bubbles. You will then have a go at writing your own for one or all of the characters from the story 'Owl Babies'. If you have access to a printer, please find an attached sheet to support today's activity.

Mindfulness

Please have a go at the new breathing exercise below.

Sun Breaths

Sit on the floor in a comfortable position. Close your eyes and take some slow deep breaths in and out. Picture a bright, shining sun smiling at you. Feel the sun on your face. Breathe slowly and let the sun warm your face. Imagine the sun warming your shoulders and back. Imagine the sun warming your arms. Continue to breathe in and out slowly and calmly. Imagine the sun's warmth spreading to your legs. Finally, feel the warmth all the way in your fingers and toes. Slowly stretch your arms overhead and your legs and feet out in front of you. Take a deep breath in and bend over towards your feet. Slowly exhale and sit back up. Take one more deep breath in and out and slowly open your eyes.

Learning you can access throughout the week

<p>Other areas</p>	<p>It is important to keep moving and having breaks. You can have a go at moving around the room using your body like different woodland animals. Please see the movement cards on the PDF.</p> <p>Read and enjoy this short poem by Brenda Williams. Have a try at learning the verses and then performing it to someone in your household. You might like to add some actions.</p> <p>Here comes a hedgehog</p> <p>Here comes a hedgehog Small and round, Here is leaf pile On the ground.</p> <p>In goes the hedgehog To make his bed Rolls in the leaves Then rests his head.</p>
	<p>Choose three woodland animals and draw them in size order, from the biggest to the smallest.</p> <p>You might like to create an information poster telling people about your favourite nocturnal animal. You might like to include certain information; what they eat, where they sleep, what helps them to survive at night and one interesting thing about them. You can use books or the internet to help you find the information. Have a grown up to help you when exploring the internet.</p> 
<p>Maths</p>	<p>Using the number cards you created the other week, you might like to play the following game: turn the cards over so they are all facing down. Turn a card over one at a time. Can</p>

	<p>you tell your grown up what the number is? Then you might like to get one of your teddies to feed (you might have a woodland one). Can you give them the correct amount of food to match the number? You can use sticks, stones, leaves, cereal, lego etc. Can you say what number is one more or less than the one you are focusing on?</p> <p>Have a look at these new Maths games: https://www.ictgames.com/mobilePage/index.html</p>
Reading	<p>Oxford Owl, please see previous newsletters for instructions https://www.oxfordowl.co.uk/login?active-tab=students</p> <p>Have a look at the Phonics Play website: https://www.phonicsplay.co.uk/resources There are instructions for how to log in for free on the homepage. There are lots of different games to practise blending and segmenting. A favourite at school is 'Buried treasure.'</p>
