### Phonics (English)

Please watch Mr Farley's video recapping the ay, ee and igh sounds. Have a go at writing the words that are shared. If you feel like an extra challenge there is also a sentence at the end that you can try, but don't worry if this is a step too far!

You might like to include certain information; what they eat, where they sleep, what helps them to survive at night and one interesting thing about them. You can use books or the internet to help you find the information. Have a grown up to help you when exploring the internet.</p> 
<p>Maths</p>	<p>Using the number cards you created the other week, you might like to play the following game: turn the cards over so they are all facing down. Turn a card over one at a time. Can you tell your grown up what the number is? Then you might like to get one of your teddies to feed (you might have a woodland one). Can you give them the correct amount of food to match the number? You can use sticks, stones, leaves, cereal, lego etc. Can you say what number is one more or less than the one you are focusing on?</p> <p>Have a look at these new Maths games: <a href="https://www.ictgames.com/mobilePage/index.html">https://www.ictgames.com/mobilePage/index.html</a></p>
