

Hagley Primary School

'Believe, Achieve, Together We Succeed.'

Home learning Reception Monday 22.2.21

Welcome back Reception! We hope you had a lovely, restful half term and are ready for some more fantastic learning! If you are looking for extra activities and games there are some new suggestions in the box at the bottom of the page.

Please share your phonics work with us on Seesaw.

For any videos that we use the password will be **Hagley21**
If you have any queries please contact us via our Reception e-mail receptionpupil@hagleyprimary.worcs.sch.uk.

Phonics (English)

Please watch Mr Farley's Phonics video for the 'ay' sound, then practise reading and writing the sound and words containing it.

Maths Challenge

Have a go at the challenges on the adding challenge sheet in today's resources. You could use objects or a number line to help you and you could have a go at writing the number sentences too.

Topic

Please watch Miss Running's video where she is going to explore nocturnal and diurnal animals. Once you have watched the video, please have a go at sorting the animals into the correct category.

Mindfulness

Please have a go at this breathing exercise.

Brain Break Breathing

Butterfly Breaths

Sit on the floor with the bottom of the feet touching and the knees bent out to the sides. Put your hands on your ankles and gently bounce your knees like you are flapping butterfly wings. Close your eyes and breathe slowly and calmly. Be sure to take slow deep breaths in and out. Pretend you are flying to your favorite place in the whole world. Imagine what it looks like. What do you see? What do you hear? What does it feel like? Imagine you are flying around and you are happy and calm. Now it is time to fly home, slowly flap your wings back home. Take a deep breath in and slowly exhale. Now slowly open your eyes.

Learning you can access throughout the week

Other areas	<p>Owls are nocturnal. Draw and label the other types of nocturnal animals you have learnt this week.</p>  <p>Pretend to be an Owl, which is a bird of prey, this means they hunt for other animals to eat. They swoop through the sky silently. With an adult you can play this game. One of you close your eye, the other person has to move across the room silently. The other person has to listen closely and point to where they think the owl is in the room. You can take it turns or have a go at moving around the room in different ways.</p> <p>You can get creative in the kitchen and have a go at creating some Owlet snacks. Can you remember some of the healthier foods you could use for your snack that we have learnt previously? See below for some inspiration.</p>  <p>https://www.bbcgoodfood.com/howto/guide/playdough-recipe</p> <p>Playdough can be made easily at home and only requires some everyday household ingredients. Please use the link above to take you to the BBC website. It provides instructions for how to make playdough. You can have lots of fun, squeezing, rolling and flattening. You might like to have a go at making a hedgehog. See below for some examples.</p>  <p>You can create a story map to show the main parts of the story for Owl Babies.</p>
