Maths challenge

Practise forming numbers 6-10 using items from around your home such as pasta, sticks, sweets, Lego bricks. Once you have done this, practise writing these numbers the correct way around. If you need help have a look at Mr Farley's number formation rhymes at the top of the remote learning page of the website.

PE

Please see the document on our class page outlining today's PE challenge!

Mindfulness

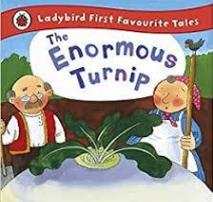

Have some time out and enjoy the following activity.

Listen carefully with your eyes closed to any sounds you can hear. After one minute, open your eyes and write down everything you heard.

Learning you can access throughout the week

Design and make a healthy meal with the help of an adult.

Other areas	 <p>You could even design a healthy menu for your week at home, thinking about what you can eat to be more healthy. Use scales and measuring jugs to measure out the ingredients.</p>
	<p>Read some stories based around food, such as 'The Enormous Turnip'. Have you tried the food that these stories are based around. Next time you go shopping, your adult to buy these different foods to try.</p> 
	<p>Find some vegetables in your house and cut them up with the help of an adult. Dip the vegetable into paint and make some patterns on paper. Look at the different marks they make with the different vegetables.</p>  <p>Or you could make a healthy pizza using pitta bread or tortilla wraps. Add tomato, cheese and some your favourite vegetables, for examples sweetcorn, peppers, pineapple.</p>
	<p>You could make your favourite fruit salad like Oliver did with his Grandma, Grandad and Mum in the story we enjoyed today. 'Oliver's Fruit Salad'.</p>
