## Learning you can access throughout the week

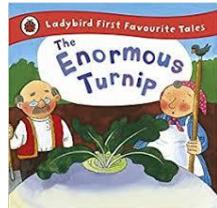

Other areas

Design and make a healthy meal with the help of an adult.

You could even design a healthy menu for your week at home, thinking about what you can eat to be more healthy. Use scales and measuring jugs to measure out the ingredients.

Read some stories based around food, such as 'The Enormous Turnip'. Have you tried the food that these stories are based around. Next time you go shopping, your adult to buy these different foods to try.

Find some vegetables in your house and cut them up with the help of an adult. Dip the vegetable into paint and make some patterns on paper. Look at the different marks they make with the different vegetables.

Or you could make a healthy pizza using pitta bread or tortilla wraps. Add tomato, cheese and some your favourite vegetables, for examples sweetcorn, peppers, pineapple.

You could make your favourite fruit salad like Oliver did with his Grandma, Grandad and Mum in the story we enjoyed today. 'Oliver's Fruit Salad'.
