Story

Have a look at this alternative version of The Three Little Pigs

https://www.youtube.com/watch?v=WR4L_t6IAfc. You could have a go at joining in. Have a think about which house was the strongest and why? Could you build a house strong enough so that the wolf doesn't blow it down?

Maths

There is an extra addition on a number line sheet if you would like to do some more practise of yesterday's learning. This is optional but will be useful if you found yesterday's maths lesson difficult.

Please watch Mrs Archer's video about positional language. For the task today you will need a small toy such as a teddy bear.

Learning you can access throughout the week

Other areas	<p>Re tell the story of 'Goldilocks and the Three Bears' to a family member. What did Goldilocks do and find in the house? What happened when the bears came home? When telling the story - use different voices for the characters.</p> 
	<p>Goldilocks and the three bears love eating porridge. With your adult, have a go at making some porridge. You could add some different toppings for examples, jam, honey, seeds, pomegranate etc.</p>

Use books or the internet to find out some facts about bears. You might like to draw a picture and write your facts.

Baby Bear loves to sleep in his bed with his teddy. Do you have a favourite teddy? You could have a go at doing an observational drawing of them. You could use crayons, pens or paints.
