Home learning Reception 6.1.21

Hello Reception! Welcome to our home learning newsletter. We have lots of exciting activities for you to do at home and would love for you to share what you have been doing with one post a day on Seesaw.

For any videos that we use the password will be **Hagley21**
If you have any queries please contact us via our Reception e-mail receptionpupil@hagleyprimary.worcs.sch.uk.

Key Words (English)

Please watch Mr Farley's key word video then practise writing the word 'me'. Complete the challenge at the end of the video to write the dictated sentence. Once you've checked your work, have a go at practising any words that you may have spelled incorrectly.

You will also find a video of Miss Running reading a story for you today

Maths

Please watch Mrs Archer's maths video with a focus on counting an irregular arrangement of objects. Have a go at counting the objects on the fruit counting sheet and writing the numbers. You could also count an irregular arrangement of objects in your house or draw your own irregular arrangements of objects and have a go at counting them.

PE

Please see the document on our class page outlining today's PE challenge!
