

Maths Task 03.02.21

Use your number line to help you to complete these number sentences then record your work.

$$5 + 2 =$$

$$3 + 3 =$$

Challenge:

What is

$$4 + 3 =$$

$$3 + 2 =$$

missing?

$$4 + \square = 9$$

$$6 + 2 =$$

$$7 + 3 =$$

$$5 + \square = 8$$

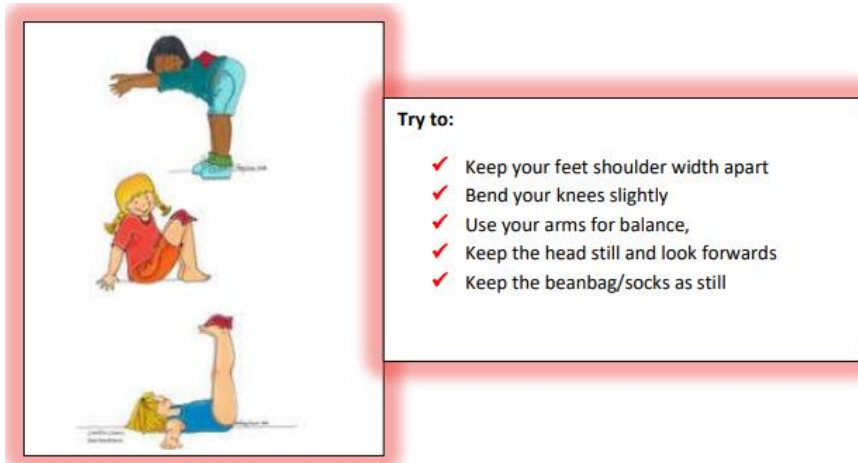

Reception

PE Tasks – Wednesday 3rd February – Lesson 5 Part 1

Do these warm up exercises on the spot:

- Jog on the spot
- Star jumps
- Hop on one leg
- Jump on the spot
- Climb the ladder
- Touch the floor and jump in the air.

Task 1: You will need a pair of rolled up socks or gloves (or a bean bag). Try standing still and have a go at balancing the socks on different body parts. For example; use alternate hands, the back of your hand, top of your foot, your head or your shoulder. Remember to keep a good, balanced position.

Task 2: Repeat the above activity but now try and balance the socks/bean bag whilst doing the following:

- ✓ Squat
- ✓ Stretch tall, onto tip toes
- ✓ Stretch wide into a star shape
- ✓ Crouch down low, with both feet on the floor
- ✓ Stand on one leg

Repeat this task, but try a different body part to balance your socks/bean bag on. How can you make it harder?

Cool down:
