Dear Parents and Carers,

HPS Care Ltd, Wrap Around Care Club (WACC) has grown significantly in popularity over recent years and we are very proud to have been awarded an "Outstanding" rating by Ofsted.

Whilst we have managed to maintain our pricing structure for some time, it is now necessary for us to announce an increase to our charges. This increase will take effect from 1st June 2020.

The new pricing structure will be as follows:

Breakfast Club £5.50 per session (7.30a.m. to 8.30a.m.)

Afterschool Club £12.50 per session (3.00p.m. to 6.00p.m.)

We have given this decision considerable thought and believe that the new pricing structure continues to represent excellent value for money, given the outstanding quality of the care provided and the varied nature of the activities offered.

If you have any queries please do not hesitate to contact us by email or telephone using the details above.

Yours sincerely

Vanessa Payne
Director – HPS Care Ltd
