Well-being Wednesday

KINDNESS

Make a list of seven kind things you can do for someone else. This could be for people you live with (e.g. do the dishes one evening, tidy your room, read with your brother or sister) or people you don't get to see every day (send someone a compliment by text, draw a picture and send a photo of it to your grandparents, etc). Each day, do one of the seven kind things from your list.

Topic Thursday

What is the difference between a vertebrate and an invertebrate?

How do we know if something is a living thing?

List some animals that would be classified in the same group as a cheetah.
