Dear Parents and Carers

Reading Rangers

At HPS we want to encourage all our children to develop a love of reading. Evidence suggests that children who read for enjoyment every day not only perform better in reading tests than those who don't, but also develop a broader vocabulary, increased general knowledge and a better understanding of other cultures.

To help support our children in school we wonder if you are able to offer some of your free time to listen to children read and perhaps share a story. As a volunteer Reading Ranger you would provide support to children with not only their individual reading but also ask questions to encourage and develop a fuller understanding of the text. Full training is available to volunteers including question stems to support you when asking a range of questions.

If you are interested in being a Reading Ranger please confirm the days and times that you are available by completing the slip below and returning it to Miss Shipley, our parent liaison lead.

Yours sincerely,

Lauren Shipley

"Reading for pleasure is the single biggest factor in success later in life, outside of an education. Study after study has shown that those children who read for pleasure are the ones who are most likely to fulfil their ambitions. If your child reads, they will succeed – it's that simple."
