As parents we will support our children by:

- Encouraging them in their education
- Taking an interest in their school life
- Helping them get the most out of the opportunities offered
- Letting the school know of any problems that could affect their work or behaviour
- Encouraging them to follow the school's guidelines on behaviour and to follow the school's ACE values

As a pupil I will:

- Take responsibility for my learning as I move through the school
- Try to respect our school values in the best possible way
