

HAGLEY PRIMARY SCHOOL

Head Teacher: Mrs Vanessa Payne BA NPQH

"Believe, Achieve, Together we Succeed"

5th November 2020

Dear Parents and Carers

As part of our 'Land Before Time' topic, we have arranged for a guest speaker to visit Year 3 children at Hagley Primary School on Monday 16th November. The children will learn how man developed from a wandering nomadic tribe all the way through until they became farmers and settlers in a new land. The children will also carry out various activities throughout the day, such as jewellery making and handling stone age artefacts.

This activity will take place in school and will uphold social distance requirements. Children will be required to wear school uniform.

We are asking for a voluntary contribution of £4.90 per child which includes the activities throughout the day. Please complete consent and payment on **Parent Pay by Friday 13th November.**

We would like to make it clear that this contribution is entirely voluntary, and there is no obligation for you to submit this payment; however, should we be unable to cover the full cost, insufficient funds may result in the event being cancelled. If we have already received donations prior to this, please be assured that these will be refunded to parents in full. We would also like to inform you that, should you decide not to make a contribution, neither you nor your child will be treated any differently from those who have paid, and your child's place on the activity will not be withdrawn as a result of lack of payment. All donations are greatly appreciated and mean that if we can cover the full cost, we will be able to enhance your child's learning in a way that we believe to be most beneficial.

Many thanks for your continued support.

Yours sincerely

Sarah Watkins
Year 3 Class Teacher
