Dear Parents and Carers

RE: School Closure

I have been in contact with the Headteachers of local schools this evening, and whilst HPS had planned to open tomorrow, a further check on snowfall this evening, coupled with temperatures of - 4/ -5 degrees overnight, means that I have made the decision on health and safety grounds to close the school for the day tomorrow.

I am not satisfied that the roads and pavements are safe for parents, children and staff. Year group home learning will be available on the school website for your children tomorrow.

This decision has not been made lightly, but the health and safety of all members of our school community is of paramount importance.

Thank you for your understanding, and please accept my apologies for any inconvenience caused.

Kind regards

Vanessa Payne
Head Teacher
