Hagley Primary School

Dear Parents and Carers

Ducklings Visit

Our children in Reception, Year 1 and Year 2 were very lucky to meet some Ducklings that had been hatched at Haybridge and brought to us by a lovely Science Teacher, Mrs Carpenter. The children learned all about how they were hatched, their webbed feet and the changes they will go through as they grow. This linked to the Reception topic in school—'Growing' and it was

great to see how engaged the children were throughout!

Year 2 Warwick Castle

The children had a fantastic time, being lucky enough to see an incredible bird show! They also experienced 'The Ultimate Kids Tour' which explored the Castle's interesting features, such as the moat and drawbridge!

Thank you also to the many parents and carers who gave up their time to accompany the children on this visit!

Sporting Successes

With restrictions continuing to lift, it has been a busy term of sporting activity. We have had over 150 children representing us across 10 different sports. The school has been proud of the children's effort, behaviour and resilience during these competitions with some children achieving at a high level. Congratulations to all who took part - we look forward to another busy term in the Summer.

Improvements to Site Security

We are anticipating that over the Easter holidays the improvements to the perimeter fencing will be installed adjacent to Park Road. This was a decision we took with Governors some time ago, to prevent "visitors" on to the school site during the evenings and weekends and leaving unwanted items behind.

Wishing you all a lovely weekend!
