staff in awe of her achievements. The children in the assembly that day even had their weekly well-done award presented by Ellie.

Visit from Ellie Simmonds

We were all very excited and thrilled to welcome Ellie last Friday! We enjoyed seeing clips of her winning her bronze and gold medals and some lucky children actually got to hold the medals that she was presented with at the Paralympics. Ellie spoke about the resilience and determination that she had to demonstrate to overcome some of the challenge she has faced in her life as an athlete. She was absolutely inspirational and had 632 children and

Visit from Reece Devine

Year 6 were visited by Manchester United Academy left back Reece Devine who is currently on loan at Walsall FC. He spoke about his football journey, resilience and mental strength as well as delivering a football session for each class.

Sporting Successes

We have had some more incredible results in our sporting endeavours. We took 2 teams to the Harriers football league, Team A won their league and Team B came 3rd in theirs!

Within the athletics festival, our pupils demonstrated brilliant behaviour and had the opportunity to try new sport and compete to get their personal best!

Parking on the Neighbouring roads

Please can we remind parents/carers to be cautious and mindful when walking/driving/parking in the roads nearby due to a near miss involving a child. This is especially the case if you use the service road that runs adjacent to Park Road.

Mental Health Awareness Week

This week we have been busy focusing on the 'NHS 5 Steps to Wellbeing' to raise awareness for Mental Health Awareness Week. The children have experienced a wide range of fun activities based on these 5 steps: connecting with others, being physically active, learning a new skill, giving to others and paying attention to the present. Mr Farley led a whole school 'Joe Wickes' style workout on the field. Little Diamond Yoga visited and each class had a yoga session based on the story 'The Lonely Giraffe', as loneliness is this year's Mental Health Awareness Week's theme. The children have had the opportunity to collaborate and work with different year groups, which has been a particular highlight.

Thank you to children and parents for your kind donations which will help support the charity Young Minds.

Our New Communication App

We are really excited to announce that soon the school will have an app to further improve communications efficiencies.

This will be for general whole school information, class information and first aid items to name a few. This will not replace any homework platforms that you may have. An invite to this app will be sent in the next few weeks.

We hope that you will support the school to download this mobile app and that you find the information useful.

Extended Provision Questionnaire

We have already received over 100 responses to our extended provision questionnaire.

Information will be used in a variety of ways to explore the need for holiday club provision across the school, the extension of hours at Kindergarten and also to see if there is any scope to provide additional evening clubs until 4pm. Please follow this link to complete the form:

Year 6 SATs

Well done Year 6! SATs are over! Everyone has done their absolute best this week, and Year 6 can now look forward to lots of events before they leave us in July.

Wishing you all a lovely weekend!
